Living Will

Declaration made this ____ day of _____, 2____, I, _____, willfully and voluntarily make known my desire that my dying not be artificially prolonged under the circumstances set forth below, and I do hereby declare that, if at any time I am mentally or physically incapacitated and

_____(initial) I have a terminal condition,
or _____(initial) I have an end-stage condition,
or _____(initial) I am in a persistent vegetative state,

and if my attending or treating physician and another consulting physician have determined that there is no reasonable medical probability of my recovery from such condition, I direct that life-prolonging procedures be withheld or withdrawn when the application of such procedures would serve only to prolong artificially the process of dying, and that I be permitted to die naturally with only the administration of medication or the performance of any medical procedure deemed necessary to provide me with comfort care or to alleviate pain.

I do ____, I do not ____ desire that nutrition and hydration (food and water) be withheld or withdrawn when the application of such procedures would serve only to prolong artificially the process of dying.

It is my intention that this declaration be honored by my family and physician as the final expression of my legal right to refuse medical or surgical treatment and to accept the consequences for such refusal.

In the event I have been determined to be unable to provide express and informed consent regarding the withholding, withdrawal, or continuation of life-prolonging procedures, I wish to designate, as my surrogate to carry out the provisions of this declaration:

Name _____

Notice of Privacy Practices Acknowledgment Form

The Health Insurance Portability and Accountability Act (HIPPA) provides a safeguards to protect your privacy. Implementation of HIPPA requirements officially began April 14, 2003. Many of the policies have been *our* practice for years. What this is all about: Specifically, there are rules and restrictions on who may see or be notified of your Protected Health Information (PHI). These restrictions do not include the normal interchange of information necessary to provide you with office services. HIPPA provides certain rights and protections to you as the patient. We balance these needs with our goal of providing you with quality professional service and care. Additional information is available from the U.S. Department of Health and Human Services- www.hhs.gov.

OMNI Healthcare has adopted the following policies:

1. Patient information will be kept confidential except as is necessary to provide services or to ensure that all administrative matters related to your care are handles appropriately. This specifically includes the sharing of information with other healthcare providers, laboratories, health insurance payers as is necessary and appropriate for your care. Patient files may be stored in open file racks and will not contain any coding which identifies a patient's condition or information which is not already a matter of public record. The normal course of providing care means that such records may be left, at least temporarily, in administrative areas such as the front office, examination room, etc. Those records will not be available to persons other than office staff. You agree to the normal procedures utilized within the office for handling of charts, patient records, PHI (Protective Health Information) and other documents or information.
2. It is the policy of this office to remind patients of their appointments/ We do this by telephone, e-mail, U.S. Mail, or by any means convenient for the practice and/or as requested by you. We may send you other communications informing you of changes to office policy and new technology that you might find valuable and informative.
3. The practice utilizes a number of vendors in the conduct of business. These vendors may have access to PHI but must agree to abide by the confidentiality rules of HIPPA.
4. You understand and agree to inspections of the office and review of documents which may include PHI by government agencies or insurance payers in normal performance of their duties.
5. You agree to bring any concerns or complaints regarding privacy to the attention of the office manager or the doctor.
6. Your confidential information will not be used for the purposes of marketing or advertising of products, goods, or services.
7. We agree to provide patients with access to their records in accordance with state and federal laws,
8. We may change, add, delete or modify any of these provisions to better serve the needs of both the practice and the patient.
9. You have the right to request restrictions in the use of your protected health information and to request change in certain policies used within the office concerning your PHI. However, we are not obligated to alter internal policies to conform to your request.

The undersigned certifies that he/she read the forgoing, received a copy of the Notice of Privacy Practice and is the patient, patients guardian, or legal representative.

Patient Financial Policy

Thank you for choosing OMNI Healthcare as your healthcare provider. We are committed to building a successful physician- patient relationship with you and your family. Please understand that payment for services is a part of that relationship. The following is a statement of our Financial Policy, which we require you to read and sign prior to treatment.

Patient Information:

A fully completed, current patient registration will be on file in the patient chart during the time in which the patient is considered an active patient. Patient registration will be updated by the patient yearly or as changes in the demographic information occurs and will include where the patient can be reached by phone. A signature by the responsible party is required.

Insurance Claims:

Primary Insurance: OMNI Healthcare will file claims with the patient's insurance upon the patient's submission of proof of insurance; (insurance card indicating coverage, identification number, and group number). In the event the patient has insurance coverage but cannot provide documentation, payment is due at the time of service. Upon receipt of the insurance card, OMNI Healthcare will submit the health insurance claim form indicating patient payment at the time of service.

Secondary Insurance: Claims will be filed with secondary insurance if adequate information is received at the time of service. However, if payment is not received in our office within 45 days after filing, the responsibility will be transferred to the patient and due upon receipt.

Patient Financial Responsibility:

If no insurance is to be filed by OMNI Healthcare, or if OMNI Healthcare is not a participating provider, **full payment is due** at the time services are rendered. We are willing to work with you to develop a payment schedule to meet your needs and ours. Co-payments, deductibles, co-insurance, and non-covered services are due at time of service. Payment arrangements will be made with a signed Payment Agreement and the approval of the office manager.

Minors/ Dependents:

Children under the age of 18 will require the signature of a responsible adult party on the registration form.

Worker's Compensation:

Worker's compensation will be filed if the patient notifies OMNI Healthcare upon scheduling an appointment and supplies billing information upon arrival. Details of the accident will be required and a worker's compensation form will be completed.

Motor Vehicle Accidents:

Payment of visits for auto accidents will be due at time of service. OMNI Healthcare will provide a health insurance claim form and details of examination upon patient signature for release of records.

Method of Payment:

- Acceptable methods of payments are cash, check, Visa, MasterCard, Discover, and American Express.
- Credit Cards mentioned above will be accepted by phone or fax.

Accounts Past Due:

- Payment from statement is due upon receipt.
- Delinquent accounts may result in small claims court, a collection agency, credit bureau reporting and/or possible discharge from the practice.
- After 90 days an account will be turned over to collections. The person financially responsible for the account will be responsible for all collection costs including reasonable attorney fees of not less than 30% and court costs.
- A patient may remit in full for all outstanding charges owed on account and include amounts previously placed with the collection service. Under these circumstances, a physician may reserve the right to re-establish the patient to active status in the practice.

Missed Appointments:

- OMNI Healthcare requires 24 hour notice of appointment cancellation. Consecutive appointments missed and not previously canceled will be documented and excessive abuse could result in a possible discharge from the practice.
- Interpreter fees incurred as a result of a missed appointment or an appointment not canceled within 24 hours of the appointment time will be billed to the patient.

Account Consultation:

Physicians do not discuss financial issues. Our billing staff member is trained to discuss your account and make payment arrangements. They will be happy to help you, but if you need further assistance, our Billing Director may be consulted as well.

Medical Records:

If you require us to transfer your records to another physician, other than your primary care physician, there will be a fee. This fee must be paid prior to the transfer of the records. There is no cost to provide to your primary care physician.

I have received a copy of the OMNI Healthcare financial policy.

Understanding Your Healthcare Records/Information

This notice is to inform you how information about you may be used and disclosed and how you can get access to it. Please review this carefully.

Each time you visit a hospital, physician, or other healthcare provider, a record of your visit is made. Typically, this record contains your symptoms, examination, test results, diagnosis, and plans for future care and treatment. This information, often referred to as your health or medical record, serves as a:

- Basis for planning your care and treatment.
- Means of communication among the many professionals who contribute to your care.
- Legal document which you or a third-party payer can verify that services billed were actually provided.

Understanding what is in your medical records and how it is used helps to;

- Ensure it's accuracy.
- Better understand who, what, when, where, and why others may access your health information.
- Make more informed decisions when authorizing disclosure to others.

Your Health Information Rights

Although your records are the physical property of your healthcare provider that compiled it, the information contained belongs to you. You have the right to:

- Request a restriction on certain uses and disclosures of your information as provided by 45CFR 164.522.
- Obtain a paper copy of the notice practices upon request.
- Request a copy of your health records as provided for in 45CFR 164.522.

I have read and understand the above:
